# Galaxy™

## Out of this World

Napoleon's Galaxy™ outdoor linear gas fireplace is constructed of weather resistant brushed stainless steel for maximum outdoor durability and is available in single sided (GSS48) and See Thru (GSS48ST) models. The galaxy features an "easy start" ignitor, a glass wind deflector (two included with See Thru unit) to ensure operation in windy conditions as well as a safety valve that turns the gas supply off if the flame goes out. With all these this outdoor linear gas fireplace is the perfect addition to any backyard oasis.

# Riverside™ 36 Clean Face

## Light My Fire

Napoleon's new Riverside™ 36 Clean Face is a beautiful and modern outdoor gas fireplace. Designed with 100% high quality stainless steel construction, the Riverside™ 36 Clean Face is tough enough to withstand the harshest outdoor environments. Unique to the outdoor fireplace category, this fireplace can be burned and enjoyed with the optional door kit closed. Boasting not one, but two impressive premium log set designs - your choice of Birch or Oak, you are sure to fall in love with your new outdoor gas fireplace. Tell your kitchen to move aside, your backyard is about to become your new social gathering hot spot for family and friends.

# Kensington Patioflame® Table Series

## Imperial luxury

Gather around with your family and friends beside the warm radiant heat of Napoleon's Kensington outdoor gas Patioflame® table series. The Kensington Series is constructed of hand-crafted cast aluminum for lightweight mobility and corrosion resistance. The rustic bronze finish and ornate details provide a feeling of imperial luxury in your own backyard. Each model features a topaz glass ember bed for beautiful flame reflections and colored glass is available for further customization. A single panel door provides easy access to a propane tank and a natural gas conversion kit is included for your convenience. Comes complete with matching burner cover to transform your fire table into a functional table for all your entertaining needs.

# St. Tropez Patioflame® Table Series

## Reminisce about the Riviera

Napoleon's St. Tropez outdoor gas Patioflame® table series features a classic, linear design that will match any outdoor décor and take the chill off cool evenings. The St. Tropez Series is constructed of rust-free aluminum for lightweight mobility and corrosion resistance. A stylish topaz glass ember bed reflects the light of the flames warming you and providing a cozy atmosphere. The single panel access door opens to the propane tank for easy tank replacement and a natural gas conversion kit is included for your convenience. Comes with a matching burner cover to provide a larger serving area for entertaining, when not burning.

# Hamptons Patioflame® Table Series

## Modern elegance

A stylish, contemporary design sets the Napoleon Hamptons Series Patioflame® Tables apart from the rest. The beachy – casual construction, and grey color match any décor. Safe and fuel efficient, the Hamptons Series features a thermocouple valve that cuts the gas when flame is interrupted, meaning that if a gust blows the flame out, or you forget to shut the gas when you're done, no gas will be wasted. The beautifully constructed, durable, aluminum surround conveniently hides a gas tank (propane models). Never worry about the weather, drainage holes in the burner pan allow the rain to drain away, and the optional windscreen will protect the flames from the wind. Set your drinks down, converse in comfort and enjoy your outdoor living space. Easily convert your Hamptons Patioflame® Table into a fully functioning table with the included matching cover.

# Muskoka Patioflame® Table Series

## Cottage Lifestyle

Feel the ambiance of cottage life while enjoying the warmth of an open fire with the Napoleon Muskoka Patioflame® Table Series. Coming in both square and rectangular shapes, the cast aluminum frames make these tables lightweight, and along with the all stainless steel burner construction, incredibly durable. Never worry about the weather, drainage holes in the stainless steel burner pan allow the rain to drain away, and the optional Windscreen kit protects the flames. Safe and fuel efficient, the Muskoka Patioflame® Table Series features a Thermocouple valve that cuts the gas when the flames are interrupted by wind, or if the gas is left on. Embrace the cottage lifestyle.
