GET A TASTE FOR THE BEST

Our double-walled lid panels and CAST IRON HOOD END CAPS help retain the heat for more efficient cooking and superior flavor retention.

Stainless Steel SIGNATURE SEAR PLATES are bigger, and optimally designed for heat distribution across the entire cooking surface.

BRING OUT THE BEST  
IN FOODS with the  
**VERMONT CASTINGS SIGNATURE  
FLAVOR PROCESS.**

HEAVY CAST IRON PORCELAIN-COATED COOKING GRATES retain heat for even cooking, and won't allow foods to stick.

Unique POP-UP LIGHT@NIGHT helps you see what you're cooking in low or no-light situations.

THE BE

**FOR SUPERIOR TASTE, VERMONT CASTINGS CAST IRON MAKES ALL THE DIFFERENCE.**

From the special porcelain-coated heavy cast iron grates for even heat distribution and extraordinarily easy clean up, to the cast iron hood-ends that retain heat for moist, perfect cooking every time, your Vermont Castings Signature Series Gas Grill is

an efficient miracle of outdoor cooking. The Signature Flavor Process makes your grill heat inside our extra-deep fire box, our u

S GETTING BETTER.

The EXTRA DEEP FIRE BOX contributes to heat retention and creates a convection-style cooking so food stays amazingly moist.

NEVERFAIL ELECTRONIC IGNITION works every time, a single push of the button!

cooking surfaces, you can actually lower the temperature of the grill, cook much more efficiently, and maintain the moisture in all your foods. The result is perfect grilling every time, from meats and chicken to vegetables, fish and much more.

# SIGNATURE SERIES GRILLS | VCS6006 GRILL

It's big on space and big on taste! 750 square inches of cooking area and 290 square inches of searing cooking space. 6 burners to light up any party you might have. With our Infra-Red Rotisserie Cooking System, two side burners created to accommodate large-sized pots, and the looks and style that says as much about the cook as it does about what you cook. More standard features include NeverFail Electronic Ignition, our exclusive Vermont Castings Porcelain-Coated Cast Iron cooking surface, stainless steel lid, Signature Cast Iron Hood End Caps, tank protection tray and even the heavy duty Signature Series cover. There isn't much you can't cook, grill, rotisserie, sear or keep warm on our biggest

6 Burner 75,000 BTU Stainless Steel Grill

Our ROTISSERIE KIT AND BURNER allows for slow and even infra-red cooking for roasts and whole chickens, every time.

SIDE BURNER has a cover to effectively block the wind while you cook.

Includes a large warming drawer, cast iron grill plate, back-lit dials, our Pop-Up Light@Night, Vermont Castings Signature Series "Sizzling Barbecue" Cook Book, and much more!

## SIGNATURE SERIES GRILLS

THE BEST  
FOOD  
YOU.

A beautiful, polished stainless steel lid marks this 5 burner grill as one of the most distinguished around. Delivering superior flavor, outstanding heat retention, and remarkable efficiency, no other grill can match our cooking system. 600 square inches of primary cooking area and 230 square inches of secondary cooking space can accommodate a full three-course meal and more. Double condiment trays, a 20,000 BTU Infra-Red Rotisserie Cooking System, back-lit dials and more, it's all here and ready to grill.

Add our heavy duty Signature Series Grill Cover, our "Sizzling Barbeque" Cook Book, and you'll bring out the best in any meal.

Convenient WARMING DRAWER keeps breads and buns warm and toasty!

THERMOMETER on the outside hood lets you know the exact temperature on the inside, and helps you cook more efficiently.

# SIGNATURE SERIES GRILLS | VCS5016 GRILL

A serious grill for the serious griller. And a great choice for the Vermont Castings Signature Flavor Process. With 68 inches of cooking area and 230 square inches of cooking space. 5 Stainless Steel Tube Burners, an Infra-Red Rotisserie Cooking System, Never-Fail Ignition system, and much more. And all with a black enamel lid with Signature Cast Iron Hinges. Ribs, chicken, roasts, lobsters, all in large portions. A delicious home on the Porcelain-Coated Cast-Iron cooking surface. And with our extra large side condiment tray, built in tool holder and tank, it's as convenient as it is beautiful.

5 Burner 62,500 BTU Stainless Steel Grill

Signature Series Grills | VCS5016 Grill

The convenient CONDIMENT TRAYS on many of our grills put ingredients right within your reach for easy use.

Our CROSS FLOW IGNITION allows you to ignite each burner fires in seconds.

## SIGNATURE SERIES GRILLS | VCS4006 &

### VCS4006 GRILL

Cast Iron and Stainless Steel, this 4 burner grill is a monument to modern grilling. The perfect size for many different outdoor applications, this grill has 450 square inches of primary cooking area and 170 square inches of secondary cooking space. Comes with a 15,000 BTU side burner to keep sauces hot or to cook side dishes. A 15,000 BTU Infra-Red Rotisserie Cooking System, smoker box compatibility, and our super-thick cast iron cook grids with rear lip make this the grill to envy.
