GAS BARBECUE GRILLS

ARE YOU IN LOVE WITH THE GRILL NEXT DOOR?

DURABLE MATERIALS AND FINISHES

Carefully selected materials and finishes have been incorporated into the Vermont Castings Signature Series Grills. Porcelain coated cast iron cooking grates prove exceptional results. Stainless steel with porcelain and powder coat enamels assures long life and timeless beauty to all exterior grill surfaces. Heavy gauge 304 grade stainless steel burners resist corrosion, and the stainless sear plates offer extra protection to the grills' main burners. Best of all, the Vermont Castings Signature Series Grills will always look great as they are easy to clean from top to bottom, inside & out.

DOUBLE-WALL HOOD

Air cooling pockets are designed in the stainless steel hoods of Vermont Castings Signature Series grills to prevent heat discoloration on the exterior hood.

ROTISSERIE KIT & BURNER

This kit includes rotisserie motor and supports, heavy duty spit, meat forks and counter weight for large foods. The infra-red rotisserie burner allows for slow even cooking of any type of large roast or chicken. Kit & burner standard on VCS5005 and VCS6005. Kit optional on VCS3505 & VCS4005.

CAST IRON COOKING GRATES

Heavy-duty porcelain coated cast iron cooking grates are a wonder to cook on as food doesn't stick to the grate surface. Plus, they're easy to clean with a brass wire brush.

EXTENDED 4" STAINLESS STEEL LEDGE

Great for propping platters or cooking utensils.

LARGE PRIMARY COOKING AREA

Ranges from 400 to 750 square inches, depending on the model.

ELECTRONIC IGNITION

Simple, push button operation - works every time

CURVED PROFILE

Stainless steel cart - no harsh edges (on most models).

The styling of a Vermont Castings Signature Series (VCS) gas barbecue will have the whole neighborhood envious! These grills offer attractive designs, gourmet cooking capabilities and a multitude of convenient features. The VCS grill line is exclusively available through authorized CFM Specialty Home Products dealers.

Side burner – 15,000 btu's; cover acts as a wind shield when in use

Top warming rack – ideal for keeping food items warm & toasty

Sear plates – distributes heat evenly over the grilling surface & helps prevent flare-ups – keeps food moist & gives superior flavor to foods

All Vermont Castings Signature Series Grills are available in Propane or Natural Gas and each model comes with a limited lifetime warranty. Standard features include:

- Cast iron porcelain coated cooking grates
- Battery operated electronic ignition
- A degree calibrated temperature gauge
- Stainless steel sear plates (Black enamel on VCS3505)
- Powerfully-built stainless steel bent handle with easy-grip center
- Warming rack
- Stainless steel side shelves
- Tool holder
- Inside cart propane tank mount (for LP models, tank not included)

GAS BARBECUE GRILLS
