99.97% HEPA
Air Purifier

Owner's Guide

FILTER# HAPF 600 HEPA
FILTER# HAPF 60 CARBON

PLEASE READ AND SAVE THESE IMPORTANT INSTRUCTIONS

PLEASE READ AND SAVE THESE IMPORTANT SAFETY INSTRUCTIONS

1. Read all instructions before using the appliance.
2. To avoid fire or shock hazard, plug the appliance directly into a 120V AC electrical outlet.
3. If the filter is covered by a bag when shipped: Remove plastic bag over filter before use.
4. Keep the cord out of heavy traffic areas. To avoid fire hazard, NEVER put the cord under rugs, near heat registers, radiator, stoves, or heaters.
5. To protect against electrical hazards, DO NOT immerse in water or other liquids. Do not use near water.
6. Close supervision is necessary when any appliance is used by or near children, or by disabled people.
7. Always unplug the air purifier before moving it, opening the grill, changing filters, cleaning, or whenever the air purifier is not in use. Be sure to pull by the plug and not the cord.
8. NEVER drop or insert any object into any openings.
9. DO NOT operate any appliance with a damaged cord or plug, if motor fan fails to rotate, after the appliance malfunctions, or if it has been dropped or damaged in any manner. Return appliance to manufacturer for examination, electrical or mechanical adjustment, or repair.
10. Use appliance only for intended household use as described in this manual. Any other use not recommended by the manufacturer may cause fire, electric shock, or injury to persons. The use of attachments not recommended or sold by The Holmes Group (or Bionaire) may cause hazards.
11. DO NOT use outdoors.
12. NEVER block the air openings, grilles/outlets or place on a soft surface such as a bed or sofa, as this could cause the unit to tip over, blocking the Air Intake Opening/Grill.
13. Keep unit away from heated surfaces and open flames.
14. DO NOT attempt to repair or adjust any electrical or mechanical functions on this unit. Doing so will void your warranty. The inside of the unit contains no user serviceable parts. All servicing should be performed by qualified personnel only.
15. WARNING: To reduce the risk of fire or electric shock, DO NOT use this air purifier with any solid-state speed control device.
16. DO NOT place anything on top of unit.

PLEASE READ AND SAVE THESE IMPORTANT SAFETY INSTRUCTIONS

Cord and Plug Installation Safety Instructions

The length of cord used on this appliance was selected to reduce the hazards of becoming tangled in, or tripping over a longer cord. If a longer cord is necessary an approved extension cord may be used. The electrical rating of the extension cord must be equal to or greater than the rating of the air purifier. Care must be taken to arrange the extension cord so that it will not drape over the countertop or tabletop where it can be pulled on by children or accidentally tripped over.

THIS PRODUCT IS EQUIPPED WITH A POLARIZED AC (Alternating Current) PLUG (a plug having one blade wider than the other). This plug will fit into the power outlet only one way. If the plug does not fit fully into the outlet, reverse the plug. If it still does not fit, contact qualified personnel to install the proper outlet. DO NOT DEFEAT THE SAFETY PURPOSE OF THIS POLARIZED PLUG IN ANY WAY.

HARMONY BACKGROUND

First, thank you for choosing a Holmes Harmony Air Purifier. The Harmony air purifier was created because consumers, like you, provided a lot of feedback about what you wanted in an air purifier. With the features consumers want in mind, we worked with sound experts to make the unit quieter, engineers to make it smaller with more advanced technologies. We created a patented modular filter system for easier filter replacement. The result is an air cleaner that is in harmony with your environment, it cleans your air and fits your life.

FEATURES

Dual Position- the air purifier can stand upright or lie on its side. Also designed to fit with its back flush against the wall. When positioning the unit, please be sure the air inlet grill, filters and air outlet are not blocked to ensure maximum airflow.

Equipped with GE motor for quieter performance and the added durability necessary for continuous use.

Filter Life Indicator- The filter life indicator will be green when the filters are new or in good condition. Over a period of time, the filters performance will begin to decrease. At this point the filter life indicator will be yellow. Eventually, the filter life indicator will be red, indicating it is time to replace the filters.

FILTER LIFE INDICATOR

The Filter life indicator uses a series of lights to give you an indication of the remaining filter life. With new filters, the top light will be illuminated green. As filter life progresses the filter life indicator will move to yellow, and your carbon and HEPA filters should be checked. When the filter life indicator light is red, it is time to change the filters.

PRE-OPERATING INSTRUCTIONS

NOTE: The door should not be opened when the unit is on its side.

- 1) After removing the unit from the box, take the plastic covering off the unit.
- 2) Place unit with air intake grill pointing up.
- 3) Open the door of the air purifier.
- 4) The Carbon filters, which are packed in a plastic bag in the box, should be put on each of the HEPA filters. The plastic tabs on the HEPA filter will hold the carbon in place (fig. 1).
- 5) Close the air purifier door by pushing firmly against the right hand side of the door.

OPERATING INSTRUCTIONS

- 1) Select location where air intake grill and filtered air outlet are not obstructed.
- 2) Plug into a 120V AC electrical outlet.
- 3) The air purifier is now ready for your use. Please set the unit to the desired speed setting; High (IIII), Medium (III), Low (II), or Sleep (I).

CLEANING AND MAINTENANCE INSTRUCTIONS

- 1) Turn the air purifier off and unplug it before cleaning.
- 2) The outside of the air purifier can be cleaned with a soft, clean dampened cloth.
- 3) The filtered air outlet on the top of the unit can be cleaned of dust with a small, soft brush.
- 4) If you wish to clean the inside of the air purifier, please only use a dry, soft cloth to wipe it down.

- A. HEPA FILTER
- B. CARBON FILTER
- C. HANG TABS
- D. AIR INTAKE GRILL
- E. FILTERED AIR OUTLET
- F. SPEED CONTROL KNOBS
- G. FILTER LIFE INDICATOR
- H. RESET BUTTON
- I. POWER CORD (not shown)

FILTER REPLACEMENT INSTRUCTIONS:

- 1) On average, HEPA filters need to be replaced every 12-18 months. Carbon filters need to be replaced every 3-6 months. Filter life will vary depending on air quality and usage.
- 2) Turn off and unplug the air purifier before attempting to replace the filters.
- 3) Remove each of the filters from the unit by pulling gently towards you.
- 4) To replace the carbon filter, simply remove the old carbon filter and insert a new carbon in its place, using the plastic tabs as a guideline (see Figure 1).
- 5) To replace the HEPA filter, discard the old HEPA filters. Put the carbon filter back on the HEPA filter. Insert the new HAPF600 HEPA filter into the unit, by sliding it onto the hang tabs.
- 6) After replacing the HEPA filters, RESET the Filter Life Indicator by inserting a small object (such as a pin or paper clip) into the hole marked RESET.

Replacement filters are as follows:

HAPF600 HEPA Filter

HAPF600D HEPA Filter (2 pack)

HAPF60 Carbon Filter

These filters can be purchased at a retailer near you or by calling 1-800-5-HOLMES.

NOTE: Carbon and HEPA Filters are not washable and should be replaced at the recommended intervals.

TROUBLESHOOTING

PROBLEM

SOLUTION

Unit will not operate

- Check to make sure the unit is plugged in.
- Check to make sure the unit is on by turning the knob.
- If the door is ajar the unit will not operate. Make sure the filters are properly installed and firmly close the door.

Decreased air flow

- If the Filter Life Indicator is red, the HEPA filters need to be changed.
- If the filters have not been changed in a year or more, change the HEPA filters.
- Check to ensure nothing is blocking air inlet and filtered air outlet.
- Ensure carbon filters are changed every 3-6 months.

SERVICE INSTRUCTIONS

1. Do NOT attempt to repair or adjust any electrical or mechanical functions on this unit. Doing so will void the warranty.
2. If you have any questions regarding this unit's operation or believe any repair is necessary, please call 1-800-5-HOLMES to speak with a Consumer Service Representative.
3. If you need to exchange the unit, please return it in its original carton, with a sales receipt, to the store you purchased it. If you are returning the unit more than 30 days after the date of purchase, please see the enclosed warranty.
4. If you have any other questions or comments, feel free to write us:

The Holmes Group, Inc.
P.O. Box 769, Milford, MA 01757-0769

For your own records, staple or attach your sales receipt to this manual. Also, please take a moment to write the store name/location and date purchased below.

FIVE (5) YEAR LIMITED WARRANTY

SAVE THIS WARRANTY INFORMATION

- A. The quality controls used in the manufacture of this Holmes product are to ensure your satisfaction.
- B. This Warranty applies only to the original purchaser of this product.
- C. This Warranty applies ONLY to repair or replacement of any supplied or manufactured parts of this product that, upon inspection by Holmes authorized personnel, proves to have failed in normal use due to defects in material or workmanship. Holmes will determine whether to repair or replace the unit. This Warranty does not apply to installation expenses.
- D. Operating this unit under conditions other than those recommended or at voltages other than the voltage indicated on the unit, or attempting to service or modify the unit, will render this WARRANTY VOID.
- E. Unless otherwise proscribed by law, Holmes shall not be liable for any personal injury, property or any incidental or consequential damages of any kind (including water damage) resulting from malfunctions, defects, misuse, improper installation or alteration of this product.
- F. All parts of this Holmes product are guaranteed for a period of 5 years as follows:
 1. Within the first 30 days from date of purchase, the store from which you purchased your Holmes product should replace this product if it is defective in material or workmanship (provided the store has in-stock replacement.)
 2. Within the first sixty months from date of purchase, subject to the conditions in paragraph H, Holmes will repair or replace the product if it is defective in material or workmanship providing it is returned to Holmes, freight prepaid, with PROOF OF PURCHASE date, together with \$8.00 for handling and return packing/shipping charges.
- G. If you have any problem with this product, please write our Consumer Service Dept., or call, 1-800-5-HOLMES.
- H. IMPORTANT RETURN INSTRUCTIONS: Your warranty depends on your following these instructions if you are returning the unit more than 30 days after the date of purchase:
 1. Carefully pack the item in its original carton or other suitable box to avoid damage in shipping.
 2. Before packing your unit for return; be sure to enclose:
 - a) your name, full address with zip code and telephone number,
 - b) a dated sales receipt or PROOF OF PURCHASE,
 - c) your \$8.00 check for return packaging, and
 - d) The model number of the unit and the problem you are having. (Enclose in an envelope and tape directly to the unit before the box is sealed.)
 3. Holmes recommends you insure the package (as damage in shipment is not covered by your warranty).
 4. All shipping charges must be prepaid by you (as noted in paragraph F).
 5. Mark the outside of your package:
THE HOLMES GROUP, INC.
CONSUMER RETURNS
2 PULLMAN STREET
WORCESTER, MA 01606
SHIPPING AND HANDLING CHARGES: \$8.00

This warranty gives you specific legal rights, and you may have other rights which vary from state to state. The provisions of this warranty are in addition to, and not a modification of, or subtraction from, the statutory warranties and other rights and remedies contained in any applicable legislation. To the extent that any provision of this warranty is inconsistent with any applicable law, such provision shall be deemed voided or amended, as necessary, to comply with such law.
