

WARRANTY INFORMATION

SERVICE INSTRUCTIONS

1. Do NOT attempt to repair or adjust any electrical or mechanical functions on this unit. Doing so will void the warranty.
2. If you have any questions regarding this unit's operation or believe any repair is necessary, please write to our Consumer Service Department or visit our website at www.holmesproducts.com.
3. If you need to exchange the unit, please return it in its original carton, with a sales receipt, to the store where you purchased it. If you are returning the unit more than 30 days after the date of purchase, please see the enclosed warranty.
4. If you have any other questions or comments, see our correspondence below:

ONE (1) YEAR LIMITED WARRANTY

SAVE THIS WARRANTY INFORMATION

- A. The quality controls used in the manufacture of this Holmes® product are to ensure your satisfaction.
- B. This Warranty applies only to the original purchaser of this product.
- C. This Warranty applies ONLY to repair or replacement of any supplied or manufactured parts of this product that, upon inspection by The Holmes Group, Inc., authorized personnel, proves to have failed in normal use due to defects in material or workmanship. The Holmes Group will determine whether to repair or replace the unit. This Warranty does not apply to installation expenses.
- D. Operating this unit under conditions other than those recommended or at voltages other than the voltage indicated on the unit, or attempting to service or modify the unit, will render this WARRANTY VOID.
- E. Unless otherwise proscribed by law, The Holmes Group shall not be liable for any personal injury, property or any incidental or consequential damages of any kind (including water damage) resulting from malfunctions, defects, misuse, improper installation or alteration of this product.
- F. All parts of this Holmes® product are guaranteed for a period of one year as follows:
 1. Within the first 30 days from date of purchase, the store from which you purchased your Holmes product should replace this product if it is defective in material or workmanship (provided the store has in-stock replacement).
 2. Within the first twelve months from date of purchase, subject to the conditions in paragraph H, The Holmes Group will repair or replace the product if it is defective in material or workmanship providing it is returned to The Holmes Group, freight prepaid, with PROOF OF PURCHASE date, together with \$7.00 for handling and return packing/shipping charges.
- G. If you have any problem with this product, please write to our Consumer Service Department or visit our website at www.holmesproducts.com.
- H. **IMPORTANT Return INSTRUCTIONS:** Your warranty depends on your following these instructions if you are returning the unit more than 30 days after the date of purchase:
 1. Carefully pack the item in its original carton or other suitable box to avoid damage in shipping.
 2. Before packing your unit for return: be sure to enclose:
 - a) Your name, full address with zip code and telephone number,
 - b) A dated sales receipt or PROOF OF PURCHASE,
 - c) Your \$7.00 check for return packaging, and
 - d) The model number of the unit and the problem you are having. (Enclose in an envelope and tape directly to the unit before the box is sealed.)
 3. The Holmes Group recommends you insure the package (as damage in shipment is not covered by your warranty).
 4. All shipping charges must be prepaid by you (as noted in paragraph F).
 5. Mark the outside of your package:

HOLMES
THE HOLMES GROUP, INC.
CONSUMER RETURNS

SHIPPING AND HANDLING CHARGES: \$7.00

This warranty gives you specific legal rights, and you may have other rights which vary from state to state. The provisions of this warranty are in addition to, and not a modification of, or subtraction from, the statutory warranties and other rights and remedies contained in any applicable legislation. To the extent that any provision of this warranty is inconsistent with any applicable law, such provision shall be deemed voided or amended, as necessary, to comply with such law. Personal Space Air Purifier

HAP115

Owner's Guide

FILTER# HAPF 115

PLEASE READ AND SAVE THESE IMPORTANT INSTRUCTIONS

PLEASE READ AND SAVE THESE IMPORTANT SAFETY INSTRUCTIONS

When using electrical appliances, basic safety precautions should always be followed to reduce the risk of fire, electric shock, and injury to persons, including the following:

1. Read all instructions before using the appliance.
2. To avoid fire or shock hazard, plug the appliance directly into a 120V AC electrical outlet.
3. Keep the cord out of heavy traffic areas. To avoid fire hazard, NEVER put the cord under rugs, near heat registers, radiator, stoves, or heaters.
4. To protect against electrical hazards. DO NOT immerse in water or other liquids. Do not use near water.
5. Close supervision is necessary when any appliance is used near children, or by disabled people.
6. Always unplug the appliance before opening the grill, changing filters, cleaning or whenever the appliance is not in use.
7. NEVER drop or insert any object into any openings.
8. DO NOT operate any appliance with a damaged plug, if motor fan fails to rotate, the appliance malfunctions, or if it has been dropped or damaged in any manner. Return appliance to manufacturer for examination, electrical or mechanical adjustment, or repair.
9. Use appliance only for intended household use as described in this manual. Any other use, not recommended by the manufacturer may cause fire, electric shock, or injury to persons. The use of attachments not recommended or sold by The Holmes Group Inc., may cause hazards.

10. DO NOT use outdoors.
11. NEVER block the air openings or place on a soft surface such as a bed or sofa, as this could cause the unit to tip over, blocking the Air Intake Opening.
12. Keep unit away from heated surfaces and open flames.
13. DO NOT attempt to repair or adjust any electrical or mechanical functions on this unit. Doing so will void your warranty. The inside of the unit contains no user serviceable parts. All servicing should be performed by qualified personnel only.
14. This Air Purifier is not intended to be used with solid state speed controls: **WARNING:** To reduce the risk of fire or electric shock, DO NOT use this air purifier with any solid-state speed control device.

PLEASE READ AND SAVE THESE IMPORTANT SAFETY INSTRUCTIONS

THIS PRODUCT IS EQUIPPED WITH A POLARIZED AC (Alternating Current) PLUG (a plug having one blade wider than the other). This plug will fit into the power outlet only one way. If the plug does not fit fully into the outlet, reverse the plug. If it still does not fit, contact qualified personnel to install the proper outlet.

DO NOT DEFEAT THE SAFETY PURPOSE OF THIS POLARIZED PLUG IN ANY WAY

FEATURES - OPERATIONS

CLEANING INSTRUCTIONS

PLASTIC HOUSING – A soft damp cloth and non-abrasive cleaner may be used to remove any excessive dirt or fingerprints. Treated like any other quality appliance, your Holmes® unit will retain its attractive appearance for many years.

Do not wash the multi-stage filter cartridge. This is a disposable item.

CHANGING THE FILTER

To keep your Holmes® Air Purifier operating at its peak efficiency, the multi-stage filter cartridge should be replaced on a regular basis. While the length of time between filter changes will vary based on the amount of use and the conditions in which the unit is run, it will be approximately every three months. To change the filter, use the following steps. Remember, always unplug the unit when cleaning it or changing the filter.

1. Looking at the back of the unit, notice the unit's plastic finger tab at the top of the filter and a pull tab on the filter. Gently pull up on the finger tab while pulling on the filter tab. The filter should pull away from the unit.
2. Discard the used filter, gently wipe the inlet grill taking care not to damage the foam.
3. Remove the replacement filter from its packaging and its sealed bag. Mark on the "Replacement Filter" sticker the date on which the filter should likely be replaced. This date should be approximately three months from date of installation.
4. Install the filter by placing the carbon (black) side towards the unit and introducing the bottom of the filter into the filter cavity. The filter will be resting against the sealing foam and on the filter support ledges.
5. Pivot the top of the filter towards the unit and push it into position. The unit filter tab should latch on the filter.

REPLACEMENT FILTER (MODEL HAPF115) IS AVAILABLE AT YOUR LOCAL HOLMES® RETAILER, THROUGH THE MAIL USING THE ENCLOSED ORDER FORM, BY CALLING 1-800-5-HOLMES, OR VISITING OUR WEBSITE AT WWW.HOLMESPRODUCTS.COM

PRE-OPERATING INSTRUCTIONS

1. When removing the air purifier from the packing case, visually check for shipping damage. Please contact your dealer immediately if the unit bears any sign of damage.
2. Keep shipping carton and packing for use in the unlikely event that your Holmes® unit needs servicing. If this unit is shipped without the original packaging, damage could occur and void the warranty.
3. Your Holmes® Air Purifier comes to you ready for use, as the multi-stage filter cartridge has been installed in the unit. PLEASE FAMILIARIZE YOURSELF WITH THE INSTRUCTIONS THAT FOLLOW BEFORE CONNECTING THE UNIT TO A POWER SOURCE.

OPERATING INSTRUCTIONS

1. Remove your new Holmes® unit from its protective plastic bag.
2. Choose a suitable location, tabletop, or shelf ensuring that both the air intake and exit are unobstructed. Remember - air enters the rear of the unit and exits from the front.
3. Turn the fan control switch to provide the desired airflow:
Off
Low-Quiet - Continuous Run
High-Maximum - Air Cleaning
