

GET YOUR GRILL ON!

VCS5010 THE EXTREME 'LE'

*Limited
Edition
2005*

The VCS5010 is designed for the extreme griller in mind. They'll be lining up in your backyard just to get a glimpse of the new Vermont Castings Signature Series Extreme "Limited Edition" VCS5010 gas BBQ. A grill like no other, it's constructed mainly of sleek stainless steel with black porcelain enamel hood and black cast iron end caps and it delivers superior barbecue flavor. With a large 600 square inch cooking area and 230 square inch warming rack, there's room for a three course meal!

VCS5010

This grill comes with all standard features listed on reverse, plus a 20,000 btu infrared rotisserie burner and rotisserie kit, 15,000 btu side burner, backlit console, warming drawer, double condiment trays and double stainless steel cart doors. Five straight burners produce 62,500 btus.
