GET A TASTE FOR THE BEST

Our double-walled lid panels and CAST IRON HOOD END CAPS help retain the heat for more efficient cooking and superior flavor retention.

Stainless Steel SIGNATURE SEAR PLATES are bigger, and optimally designed for heat distribution across the entire cooking surface.

BRING OUT THE BEST
IN FOODS with the
**VERMONT CASTINGS SIGNATURE
FLAVOR PROCESS.**

HEAVY CAST IRON PORCELAIN-COATED COOKING GRATES retain heat for even cooking, and won't allow foods to stick.

Unique POP-UP LIGHT@NIGHT helps you see what you're cooking in low or no-light situations.

THE BE

FOR SUPERIOR TASTE, VERMONT CASTINGS CAST IRON MAKES ALL THE DIFFERENCE.

From the special porcelain-coated heavy cast iron grates for even heat distribution and extraordinarily easy clean up, to the cast iron hood-ends that retain heat for moist, perfect cooking every time, your Vermont Castings Signature Series Gas Grill is

an efficient miracle of outdoor cooking. The Signature Flavor Process makes your grill heat inside our extra-deep fire box, our u

SIGNATURE SERIES | 3-BURNER GRILLS

Model: VCS3507 3-Burner
37,500 BTU Stainless Steel Grill

When you fit the amazing Signature Flavor Cooking System into a 3-burner grill, you know the best value in grilling around. 400 square inches of cooking area and 150 square inches of second space, NeverFail Electronic Ignition, Porcelain Enamel Hood End Caps, Signature Cast Iron cooking surface and stylish stainless steel design with Signature Cast Iron Hood End Caps, means quality, dependability, and outstanding grilling in a grill that fits modest areas.

Comes with flush mounted side shelves, an optional 15,000 BTU side burner, enclosed Stainless Steel Design, commercial grade castors and much more. Available with a Stainless Steel lid, or with a Limited Lifetime Porcelain Enamelled Mica Black lid.

Our double-walled lid panels and CAST IRON HOOD END CAPS help retain the heat for more efficient cooking and superior flavor retention.

TOP WARMING RACK keeps food warm and ready to eat.

Signature Series | 3-Burner Grills

SIGNATURE SERIES | 5-BURNER BUILT-IN GRILLS

The perfect way to complement your outdoor kitchen is with a Vermont Castings Built-in gas grill. Each can be installed into a complete island, with options that include built-in island and front door assembly.

600 square inches of primary cooking area and 230 square inches of secondary cooking space on this 5 burner model. It also includes a 20,000 BTU Infra-Red Rotisserie Cooking System, optional NeverFail Electronic Ignition, Porcelain-Coated Cast Iron cooking surface and stainless steel lid with Signature Cast Iron Hood End Caps.

Model: VCS5007BI 5-Burner
62,500 BTU Stainless Steel Grill
(island not included)

"SOFTTOUCH" BACK-LIT DIALS make cooking at night easier than ever with a bright orange glow to tell you what temperature has been set.

Our CROSS FLOW burner system allows you to control the heat of each burner fire.

SIGNATURE SERIES | SMOKER

Just imagine what you can create with 103.5 inches of cooking area and four adjustable cooking grids. With 17,500 BTU's and fully adjustable dampers at your command, you'll be smoking in no time. Our double-walled door design provides excellent heat retention, and the cast iron front door features a full-range heat indicator. You'll also find a cast-iron wood chip box on its convenient sliding shelf for easy chip removal. The cast brass control knob with adjustable control and quick-starting electronic ignition make it easy to use. And the cool-grip front-door handle and wide-stance legs make it sturdy and practical for every area.

Model: VC3624GS
17,500 BTU Stainless Steel Smoker

CAST IRON wood chip box has a convenient sliding shelf for easy chip removal.

FULLY-ADJUSTABLE DAMPERS allow for precise smoking.

ELECTRONIC IGNITION starts quickly every time, whenever you're ready.
