

GET A TASTE FOR THE BEST.

2007  
GAS GRILLS,  
SMOKERS &  
ACCESSORIES

Our double-walled lid panels and CAST IRON HOOD END CAPS help retain the heat for more efficient cooking and superior flavor retention.

Stainless Steel SIGNATURE SEAR PLATES are bigger, and optimally designed for heat distribution across the entire cooking surface.

The EXTRA DEEP FIRE BOX contributes to heat retention and creates a convection-style cooking so food stays amazingly moist.

NEVERFAIL ELECTRONIC IGNITION works every time, with a single push of the button!

"SOFTTOUCH" BACK-LIT DIALS makes cooking at night easier than ever with a bright orange glow to tell you what temperature has been set.

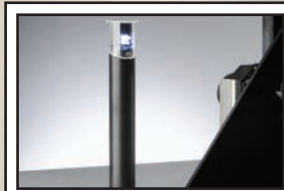

Convenient WARMING DRAWER keeps breads and buns warm and toasty!

BRING OUT THE BEST IN FOODS with the VERMONT CASTINGS SIGNATURE FLAVOR PROCESS.

HEAVY CAST IRON PORCELAIN-COATED COOKING GRATES retain heat for even cooking, and won't allow foods to stick.

Unique POP-UP LIGHT@NIGHT helps you see what you're cooking in low or no-light situations.

THE BEST JUST KEEPS GETTING BETTER.

FOR SUPERIOR TASTE, VERMONT CASTINGS CAST IRON MAKES ALL THE DIFFERENCE.

From the special porcelain-coated heavy cast iron grates for even heat distribution and extraordinarily easy clean up, to the cast iron hood-ends that retain heat for moist, perfect cooking every time, your Vermont Castings Signature Series Gas Grill is

an efficient miracle of outdoor cooking. And best yet, the Vermont Castings Signature Flavor Process makes your grilling perfect every time. By retaining the heat inside our extra-deep fire box, our unique Sear Plates and our heavy Cast Iron

cooking surfaces, you can actually lower the temperature of the grill, cook much more efficiently, and maintain the moisture in all your foods. The result is perfect grilling every time, from meats and chicken to vegetables, fish and much more.

SIGNATURE SERIES | 5-BURNER GRILLS

Model: VCS5007 5-Burner  
62,500 BTU Stainless Steel Grill

Signature Series | 5-Burner Grills

A beautiful, polished stainless steel lid marks this 5 burner grill as one of the most distinguished around. Delivering superior flavor, outstanding heat retention, and remarkable efficiency, no other grill can match our cooking system. 600 square inches of primary cooking area and 230 square inches of secondary cooking space can accommodate a full three-course meal and more. Double condiment trays, a 20,000 BTU Infra-Red Rotisserie Cooking System, "SoftTouch" back-lit dials and more, it's all here and ready to grill. Add our heavy duty Signature Series Grill Cover, our "Sizzling Barbeque" Cook Book, and you'll bring out the best in any meal.

Available with a Stainless Steel Lid, or Limited Edition Porcelain Enameled lids in: Mica Black, Mica Green or Deep Bronze.

Our ROTISSERIE KIT AND BURNER allows for slow and even cooking for roasts and whole chickens, every time.

Convenient WARMING DRAWER keeps breads and buns warm and toasty!

BRING OUT  
THE BEST IN  
YOUR FOOD  
AND YOU.

Our double-walled lid panels and CAST IRON HOOD END CAPS help retain the heat for more efficient cooking and superior flavor retention.

HEAVY CAST IRON PORCELAIN-COATED COOKING GRATES retain heat for even cooking, and won't allow foods to stick.

SIGNATURE SERIES | 4-BURNER GRILLS

Model: VCS4007 4-Burner  
50,000 BTU Stainless Steel Grill

Signature Series | 4-Burner Grills

Cast Iron and Stainless Steel, this 4 burner grill is a monument to modern grilling. The perfect size for many different outdoor applications, this grill has 450 square inches of primary cooking area and 170 square inches of secondary cooking space. 15,000 BTU Infra-Red Rotisserie Cooking System and our super-thick cast iron cook grids with rear lip make this the grill to envy. Includes "SoftTouch" back-lit dials, a 15,000 BTU Side Burner for sauces, potatoes, baked beans and more...it all adds up to a great grill and a great value.

Available with a Stainless Steel Lid, or Limited Edition Porcelain Enameled lids in: Mica Black, Mica Green or Deep Bronze.

SIGNATURE SERIES | 3-BURNER GRILLS

Model: VCS3507 3-Burner  
37,500 BTU Stainless Steel Grill

When you fit the amazing Signature Flavor Process Cooking System into a 3-burner grill, you know you have the best value in grilling around. 400 square inch primary cooking area and 150 square inches of secondary cooking space, NeverFail Electronic Ignition, Porcelain-Coated Cast Iron cooking surface and stylish stainless steel lid with Signature Cast Iron Hood End Caps, means you get quality, dependability, and outstanding grilling results in a grill that fits modest areas.

Comes with flush mounted side shelves, an option to add a 15,000 BTU side burner, enclosed Stainless Steel Cart Design, commercial grade castors and much more!  
Available with a Stainless Steel lid, or with a Limited Edition Porcelain Enameled Mica Black lid.

Our double-walled lid panels and CAST IRON HOOD END CAPS help retain the heat for more efficient cooking and superior flavor retention.

TOP WARMING RACK allows you to keep food warm and toasty.

LET THE  
BEST TIMES  
ROLL.

SIGNATURE SERIES | 5-BURNER BUILT-IN GRILLS

Model: VCS5007BI 5-Burner  
62,500 BTU Stainless Steel Grill  
(island not included)

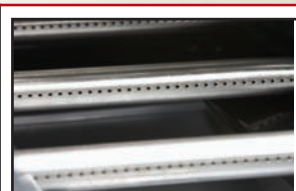

The perfect way to complement your outdoor living, Vermont Castings Built-in gas grills are every inch a Vermont Castings Signature Series masterpiece. Each can be installed into a complete outdoor cooking center, with options that include built-in side burner and front door assembly.

600 square inches of primary cooking area and 230 square inches of secondary cooking space on this 5 burner model. It also includes a 20,000 BTU Infra-Red Rotisserie Cooking System, our NeverFail Electronic Ignition, Porcelain-Coated Cast Iron cooking surface and stainless steel lid with Signature Cast Iron Hood End Caps.

"SOFTTOUCH" BACK-LIT DIALS makes cooking at night easier than ever with a bright orange glow to tell you what temperature has been set.

Our CROSS FLOW IGNITION system allows you to ignite once, and then each burner fires in sequence.

WE'VE BUILT IN THE BEST FOR OUR BUILT-INS.

SIGNATURE SERIES | 3-BURNER BUILT-IN GRILLS

Model: VCS3507BI 3-Burner  
37,500 BTU Stainless Steel Grill  
(island not included)

More compact, but still a giant in built-in efficiency and beauty. 400 square inch primary and 150 square inches of secondary cooking area, a convenient warming rack, a 15,000 BTU Infra-Red Rotisserie Cooking System, NeverFail Electronic Ignition and more! A great way to enjoy the luxuries of outdoor living anytime you want!

Our ROTISSERIE KIT AND BURNER allows for slow and even infra-red cooking for delicious roasts and whole chickens, every time.

Raised GRILL LIP at back of cooking surface makes flipping easy.

Just imagine what you can create with 1033 square inches of cooking area and four adjustable oven-style cooking grids. With 17,500 BTU's and three adjustable dampers at your command, you're really smoking. Our double-walled door design provides excellent heat retention, and the cast nameplate features a full-range heat indicator. You'll love the cast-iron wood chip box on its convenient sliding shelf for easy chip removal. The cast brass burner with adjustable control and quick-starting electronic ignition make it easy to use. And the cool-grip locking front-door handle and wide-stance legs make it sturdy and practical for every area.

Model: VC3624GS  
17,500 BTU Stainless Steel Smoker

CAST IRON wood chip box has a convenient sliding shelf for easy chip removal.

FULLY-ADJUSTABLE DAMPERS allow for precise smoking.

ELECTRONIC IGNITION starts quickly every time, whenever you're ready.
