IMPORTANT: THIS MANUAL SHOULD BE READ THOROUGHLY BY THE PERSON INSTALLING THE SHELF KIT AND ALL PERSONS WHO WILL USE AND MAINTAIN THE SHELF KIT. THE INSTALLER SHOULD BE SURE THE MANUAL IS LEFT IN THE POSSESSION OF THE USER. THE USER SHOULD RETAIN THIS MANUAL FOR FUTURE REFERENCE WHEN USING OR CLEANING THE SHELF KIT AND TO PROPERLY IDENTIFY ANY REPAIR PARTS THAT MAY BE REQUIRED.

Before You Begin

This manual includes an illustration for each of the five shelf kits available for your grill. Locate the illustration that depicts the shelf kit you have and then carefully follow all instructions pertaining to your kit.

Each step of the installation is illustrated. In each illustration parts are identified with "Index" numbers. Index numbers appear in parenthesis after a part name is mentioned for the first time in the instructions and are labeled on the illustrations. You can reference each part by its key number on the Parts List if you need help in identifying a part.

Compare the parts found in the shipping container to the parts list. If any parts are missing contact your Broilmaster® dealer before beginning assembly.

CAUTION: PARTS MAY HAVE SHARP EDGES. WEAR LEATHER WORK GLOVES AND HANDLE PARTS CAREFULLY DURING THE UNPACKING, ASSEMBLY AND THE INSTALLATION.
