L Series 36" Built-In Single Oven

Its unframed door design gives the Wolf L series 36" built-in single oven a contemporary look. Dual convection delivers superior results and faster cooking; the temperature probe gives you fine control. The easy-to-use electronic control panel rotates into position. When not in use, it's hidden behind a stainless steel panel.

Model SO36U/S.

FEATURES

- Unframed door style in stainless steel finish.
- Dual convection logic control system.
- Ten cooking modes—bake, roast, broil, convection bake, convection roast, convection broil, convection, bake stone (accessory required), dehydrate (accessory required) and proof.
- Rotating glass touch control panel.
- Cobalt blue porcelain oven interior.
- Five-level rack guides with three adjustable oven racks; one full-extension easy glide, one full-extension door glide and one standard.
- Large viewing triple-pane window.
- Dual interior halogen lighting.
- Hidden bake element and recessed broil element.
- Temperature probe and receptacle.
- Self-clean, delayed start and Sabbath feature.
- Door hinge with hydraulic damper assures smooth opening and closing of the door.

INSTALLATION NOTES

Complete installation specifications can be found on our website, wolfappliance.com.

*Dimension must accommodate height of oven trim.

IMPORTANT NOTE: Unless you are using cabinets deeper than 24", it is recommended that the electrical supply be placed in an adjacent cabinet within reach of the conduit. Choose the location shown in the illustrations that best suits your installation.
