

## 13" Burner Module

The burner module lets you prepare side dishes or warm barbecue sauce without having to run inside. Constructed of heavy-duty stainless steel, the 25,000 Btu burner module model BM13 can be built into an outdoor kitchen, and the side burner model SB13 can be attached to a cart. Available in natural or LP gas.

Model BM13 shown.

### FEATURES

- Burner module for built in applications.
- Side burner for portable applications attached to Wolf grill cart.
- Crafted of heavy-duty stainless steel.
- Hexagonal burner grates.
- LED lit control knob allows for night grilling.
- Stainless steel cover.

### MODEL OPTIONS

|               | BM13       | SB13       |
|---------------|------------|------------|
