HOW TO USE THIS MANUAL

This manual is furnished with each new ONFLOOR STRIKER.

This manual provides replacement part information.

IMPORTANT

When ordering replacement parts it will be necessary to have the machine model number and serial number.

The machine model number and serial number are shown on the machine data plate.

Refer to the **DECAL LOCATIONS** page in this manual to find the location of the machine data plate.

Recommended general wear parts are listed on the first pages of the **STANDARD PARTS** section.

FINDING AN ONFLOOR PART NUMBER

The **STANDARD PARTS** section lists replacement parts by machine group. Each machine group consists of parts illustrations and corresponding parts lists.

The parts illustrations pages contain exploded view drawings of each of the machine groups and reference numbers for each machine component.

The parts lists contain the following information:

Reference number column – Each number indicates a specific component shown in the Illustrations page.

Part number column - Indicates the ONFLOOR part number for that component.

Description column – Contains a brief description of the part.

Quantity column – Lists the quantity of that part used in that group.

HOW TO USE THIS MANUAL

PLACING AN ORDER

Part orders may be placed by phone, fax, mail, or e-mail.

To ensure the prompt delivery of your parts, complete the following steps:

1. Identify the model number of your machine.
2. Identify the serial number of your machine.
3. Locate the **STANDARD PARTS** page showing the machine group that contains the part you need.
4. Indicate the part number for the part you need.
5. Determine the quantity of the part you need.
6. Provide the following company information:
 - Company name.
 - Customer I.D. number.
 - Name of the person ordering the parts.
 - Telephone number.
 - Billing address.
 - Shipping address.
 - Purchase order number.
 - Any special shipping instructions.

HOW TO USE THIS MANUAL

NOTE:

We will make every effort to ship your order complete. The packing list or order acknowledgement will indicate any item that is back ordered.

If a received order contains incorrect or defective items, please contact the ONFLOOR representative from whom you ordered the parts. Your representative will give you authorization for return or replacement as required.

Any claim for lost or damage to a shipment in transit must be filed properly with the shipping company making the delivery.
