Bradley 6-Rack Digital Smoker

The new 4-rack and 6-rack Digital Smokers includes all the features of the Original Bradley Smoker, along with the benefits of digital technology. Temperature, time, and smoke are now completely controllable so you can decide how much smoke you want, how long your food is going to be smoked for, and at what temperature. Perfect for entertaining, creating gourmet foods in your own home, or just enjoying the flavor that smoking brings, the new Bradley Digital Smokers offer an easier and better way to automatically roast, smoke and barbecue in the outdoors.
