## Tribute Direct Vent System

A great value, the Tribute is a direct vent gas fireplace that features authentic wood-like logs and a realistic flame pattern. A spacious viewing area and a modest footprint make this dependable unit easy to install, operate and service. Available in dedicated rear or top vent formats with a contemporary clean face look.

### STANDARD FEATURES FOR ALL UNITS:

- 36" clean face firebox
- Available in rear or top vent
- Offers an unobstructed view of the fire
- Two piece embossed refractory log set included
- Aluminized dual steel burner for superior glow and flame presentation
- Uses 4" x 7" Twist Lock direct vent pipe
- Shipped natural gas ready with propane conversion kit available
- Attached 17' low voltage wire connected to valve for remote operation hook-up
- Includes electrical receptacle
- 18" flex line with On/Off shut-off valve included
- CSA design certified
