

Windsor Series Plate Steel Wood Burning Stoves and Inserts

MAJESTIC 

Add the traditional look and warmth of a stove to any room with our wide selection of wood burning stoves from Majestic. These wood burning stoves combine the heritage appeal of fine craftsmanship with the convenience of contemporary wood burning technology to ensure optimal functionality and timeless beauty.

THE WINDSOR SERIES PLATE STEEL WOOD BURNING STOVES

PREMIUM STEEL – CAST STOVES

Style and performance – heavy 5/16" thick top; firebrick firebox lining, cast-iron door, air hood, ash lip, and base elements. All models include convenient ash drawer. All cast iron components are made in our Vermont foundry. Polished nickel handle to match today's interior finishes. Convective side panels reduce side clearances. Available in three sizes to provide a range of heating capacities: Small (WR1000L02) for up to 1,000 sq. ft.; Medium (WR1500L02) for up to 1,500 sq. ft.; and Large (WR2000L02) for up to 2,000 sq. ft.

WR1500L02 plate steel wood stove with black cast iron legs shown on cover

WR1500L02 Plate steel wood burning stove with Black cast iron legs

Give people a place to gather – make fire the focal point of your room again with a plate steel wood burning stove or insert from Majestic.

WR2500X02 Plate steel wood burning insert

THE WINDSOR PLATE STEEL WOOD BURNING INSERT

Crafted with the same sturdy construction as our wood stoves, this masonry wood insert is designed for existing masonry fireplaces. Standard features include a brick-lined firebox, blower, and faceplate (44 1/8" W x 31" H) with nickel trim. Heating capacity up to 1,500 sq. ft.

VALUE LINE OF STEEL STOVES

Durable and rich at a value price. Stylish rolled top adds durability without adding unnecessary bulk—3/16" thick top has strength of 5/16" flat top. Cast iron doors provide a large ceramic glass viewing area. Air wash design helps maintain a clean glass. Firebrick firebox lining.

MOBILE HOME APPROVED WOOD STOVE MODEL WR247001

- Heating capacity up to 1,000 sq. ft.
- HUD approved for use in mobile homes; outside air connection
