

Electric Fireplaces

MAJESTIC 

33" Electric Fireplace

Give people a place to gather – make fire the focal point of your room again with an Electric Fireplace from Majestic.

Allura-Fire Electric Fireplaces

With true-to-life logs, glowing embers and richly coloured dancing flames, Allura-Fire electric fireplaces offer you the ambiance of fire created through the magic of Majestic's electric fireplace technology.

With no need for venting and no gas line required, the Allura-Fire offers the perfect fireplace solution in a range of sizes to suit any application. Now the beauty and warmth of fire can be added to any room in your home.

Allura-Fire electric fireplaces offer a maximum of 5,000 BTUs with the 26 and 33 inch sizes and 10,000 maximum BTUs with the 36 inch model. The standard 3-prong plug and cord on the two smaller Allura-Flame fireplaces make installation simple, and the 36 inch model comes ready for hard-wire installation right from the factory.

With a convenient remote control that provides the ability to control the flame height, fan, ember bed intensity, ambient overhead light feature and on/off function; plus the Sandstone refractory on the sides of the firebox and beautifully decorative arched face, the Allura-Fire from Majestic is the perfect fire for every home.

Use the hand held remote control to turn off the ambient lighting and flames to make your Majestic Allura-Fire electric fireplace the perfect heater for your bedroom!

36" Electric Fireplace
