

Side burner
BGC132-BI-N DCS US CA
Product Code: 71136-A

Parts Manual

US CA

Brand:	DCS by Fisher & Paykel
Voltage:	9V Battery
Model:	BGC132-BI-N DCS US CA
Product Code:	71136-A

Models

- The model covered by this manual is listed on the front cover.
- The information detailed in this manual is subject to change without notice. The latest version is indicated by the reprint date and replaces any earlier editions.

Kit Parts

Kit components are shown in *italics*. Where a part number is shown against the descriptions for these kit components, they are also available as separate items. In addition, some parts may be supplied with these kits that are not available as separate items, and are therefore either not listed, or a part number is not shown against the part description in this manual.

Parts List Key

<i>italics</i>	Kit components or parts included are shown in italics. Refer to above notes: Kit Parts.
NS	As a part reference, indicates the part is not serviceable.
NI	As a part reference, indicates the part is not illustrated on the diagram.
NOT USED	As a part number, indicates the diagram part reference is not used in this manual.
