LANAI

OUTDOOR GAS FIREPLACE

Light up your landscape with our best and brightest, the Lanai linear outdoor gas fireplace. The night comes alive with glowing flames and a colorful crushed glass firebed reflected in stainless steel as you create a contemporary vibe to your outdoor space.

- Modern linear design in 48", 60" and stunning 48" see-through models
- LED lighting in eight colors (choose one or cycle) and three intensity levels
- Stainless-steel interior to reflect and magnify the flames
- Durable with rust-resistant, stainless-steel construction
- Safe operation with IntelliFire® Ignition System monitoring
- Weatherproof wall control to run your fireplace and change LED colors
- No chimney or venting needed, blends anywhere into your space
- Glass wind guard to keep flame pattern steady and strong

Optional features

- Add a layer of safety with an optional screen to protect and prevent debris from entering the fireplace
- Add optional ceramic stone or driftwood logs for a touch of customization
- Ensure even longer life with a drain pan that moves moisture away from the fireplace

NOTES

OUTDOOR FIREPLACES

Living rooms aren't what they used to be. It's time to discard the stale notion that a "living space" is only contained within the walls of your home. Our innovative products make it easy to extend your living into the outdoors. Think of it as adding a new room to your home—an outdoor living room. See how Outdoor Lifestyles by Hearth & Home Technologies can transform your outdoor space.
