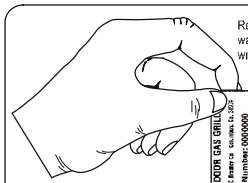
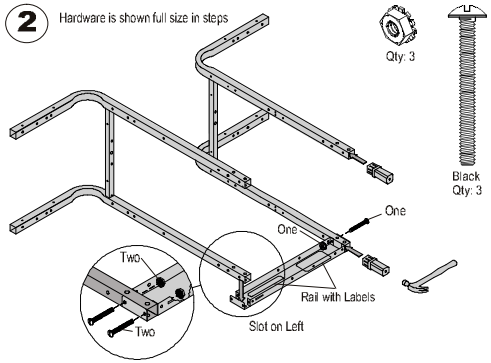
1



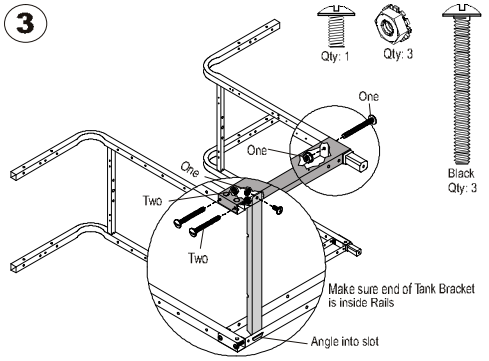
Remove end of rating label on rail and apply to your warranty card in box #5. If label cannot be removed, write the numbers on your warranty card.

This label contains the model and serial number for your grill. You should write this information on page 2 of the LP Gas Grill Use and Care in the "Warranty Information" box.

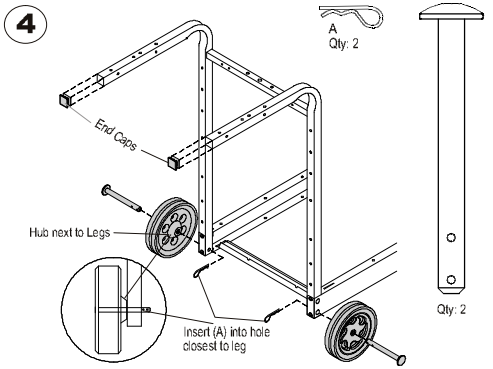
2 Hardware is shown full size in steps



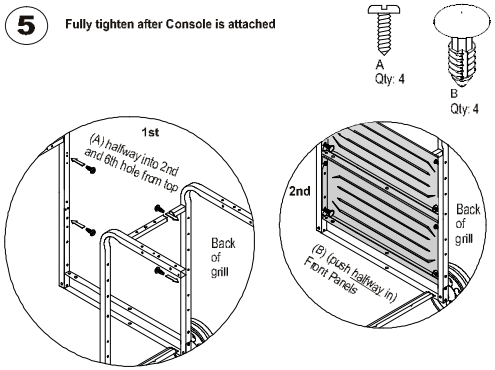
3



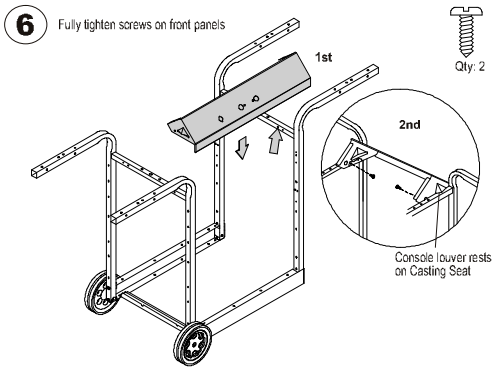
4



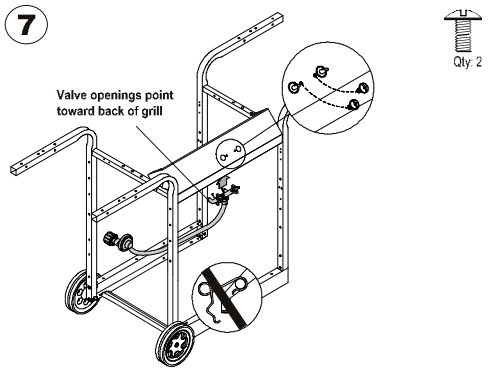
5 **Fully tighten after Console is attached**



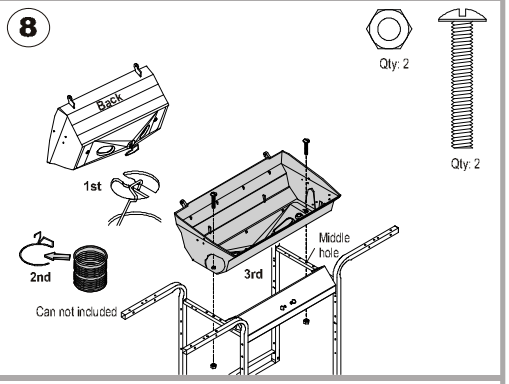
6 Fully tighten screws on front panels



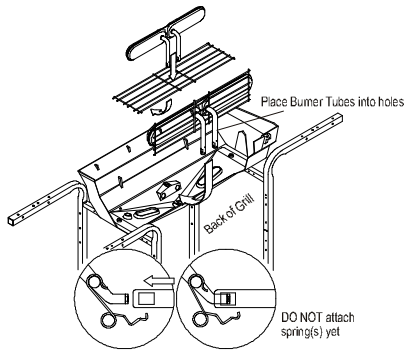
7



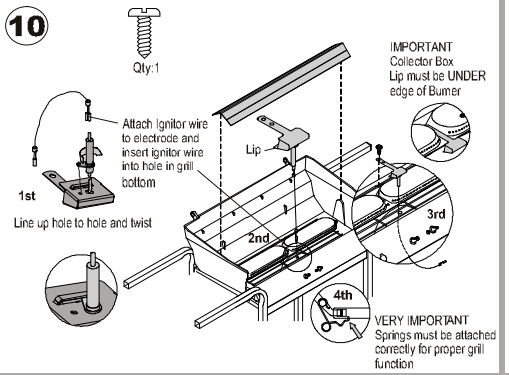
8



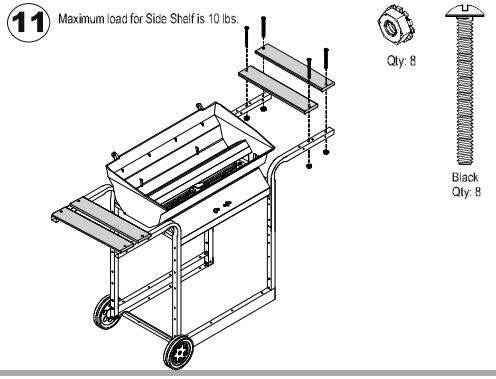
9



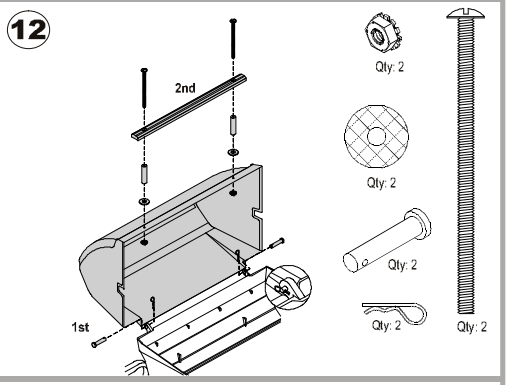
10



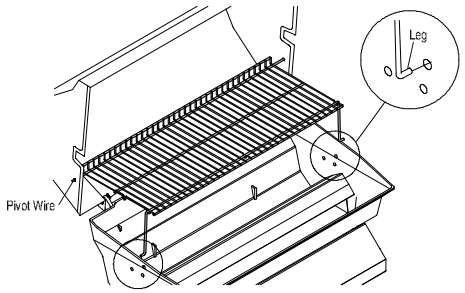
11 Maximum load for Side Shelf is 10 lbs.



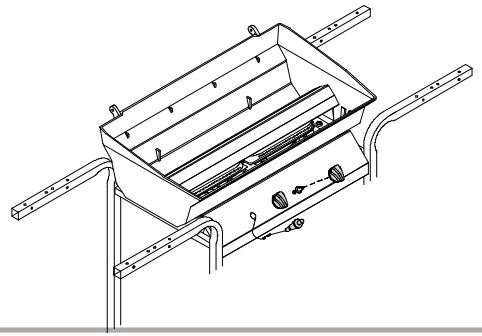
12



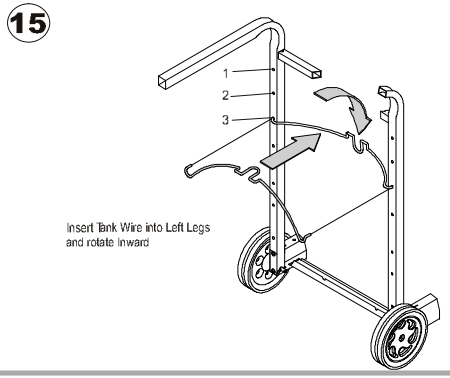
13 NOTE: Lid style may vary



14 See Use and Care for Valve Check



15



16

LP tank is sold separately.
Before attaching to grill and Regulator fill and leak check.

When ready to install curved portion of tank wire should be to inside of tank collar.

See Use and Care for important safety instructions before using.

▲ CAUTION

Tank collar opening must face to front of cart once tank is attached.

Failure to install tank correctly may allow gas hose to be damaged in operation
